

ALLDATA[®] MANAGESM

Strategic Shop Management

Manage your shop easily! Gain better insight into your business!

- **Work More Efficiently – Write Service Tickets Faster and More Accurately**
Use and create “Smart Shop Jobs” to write estimates, work orders and invoices in half the time.
- **Profit Margin Monitor and Price Matrix**
ALLDATA’s comprehensive Price Matrix automatically applies markups - ensuring your profit on every ticket!
- **Track Your Customer Base**
Keep accurate computerized records of your customers’ info and their vehicle service history.
- **Save Previously Recommended But Declined Jobs**
Use these recommendations to add more profitable work to each ticket!
- **End of Day/Week Reports**
Keep an eye on your business and easily view sales, profit, taxes, technician productivity and much more with just one click!
- **Electronic Parts Ordering via Activant Catalog Access**
Access to Activant’s multi-vendor parts catalog for easy online estimating.
- **QuickBooks[®] Integration**
Save significant overhead thanks to the automatic transfer of invoices, payments and refunds to QuickBooks with one click!*
